

Welcome to Spiritual Wisdom Knowledge and Understanding

My name is Lisa Kane

This message is called "The Heavenly Sign"

I'm sure you've been hearing a lot about The Heavenly Sign about to appear on September 23, 2017. This message is going to show you where that comes from in the Bible.

After I show you the scriptures about the appearance of The Heavenly Sign, I'm going to show you what it means because it's not just knowing the sign is there but what does the sign mean that's most important.

Let's begin by laying down the foundation of what this sign is.

Revelation 12 King James Version (KJV)

12 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:

² And she being with child cried, travailing in birth, and pained to be delivered.

The Heavenly Sign is a sign that appears in heaven or the sky. It says a woman is clothed with the sun and the moon is under her feet, and she's wearing a crown of twelve stars.

This is the constellation Virgo. The sun and moon travel through her constellation regularly. Also, the constellation Leo is above her head. The constellation Leo only has 9 stars. That means three wandering stars, or planets need to align above her head while the sun and moon are in place to fulfil this scripture.

If you get a software program, such as Stellarium you can watch the sun and moon rotate / travel through Virgo. At the same time, you can see when wandering stars or planets travel through her. You can pick a starting date from anywhere and fast speed through it to see it. It's quite fascinating if you're interested in that.

On the case of 9/23/17 at 18:34 pm Jerusalem time, you will see the sun at her head, the moon at her feet, Jupiter in her womb, and Venus, Mars, and Mercury aligned with Regulus, the main bright star of Leo above her head.

This is clearly the sign Revelation 12 is talking about. To add, Jupiter entered her womb on early December. It's fully in her womb on December 5, 2016 and it stays in there for a complete 9 months or the gestation period of the human female. Now don't let this trip you up. Yes, Jupiter crosses the lines that are drawn by people to connect points or in this case, to connect the stars.

Have you ever seen a pregnant woman grow with child? Some days the child sticks way out...other days the child has shifted to one side. The child is constantly moving and changing the shape of the mother's womb. That's normal. So Jupiter is acting normal in Virgo's womb.

Technically, it's not staying there but the way the Earth rotates, it looks like it's sitting inside the womb for 9 months. It's called retrograde motion. It's our view of Jupiter from Earth that makes it look like it's staying in the womb.

Now know this...this sign has not appeared before at all. In a previous message I taught called Passing the Test of the Signs, I stated that this sign occurred back on Aug 5, 3915 BC. This was based on a reference I added to my script I saw but at that time, I didn't have Stellarium. Now that I do, I checked it and guess what, there's no sun and no moon around her on that date.

These three planets, Venus, Mars, and Mercury are there at that time but the sun and moon don't come into the picture lined up properly until October 24, 3915 BC and by then, the three planets are around her chest and no longer crowning her head.

And no, I haven't checked any other days and you are more than welcome to do so...but before you get started, you may want to hold off a bit and see why this sign hasn't showed up before.

You should have been asking yourself, why now? How is it that we can see this sign now and it not show up before? Actually it's quite simple...now this next part is speculation on my part, but reasonable. You be the judge...

Do you remember the 9.0 big earthquake in Japan on March 11, 2011? It moved the continent by 8 feet and shifted the Earth's axis by nearly 4 inches.

<http://www.cnn.com/2011/WORLD/asiapcf/03/12/japan.earthquake.tsunami.earth/index.html>

That's enough to change our view of the stars and to change the wobble of the Earth. Also, did you recently see the news about the meteotsunamis that happened off the coast of Brazil and Chile? The water receded from Brazil causing panic because people thought a tsunami was happening and at the same time, watch crashed into the coast of Chile like something pulled the ocean over...hmmm.

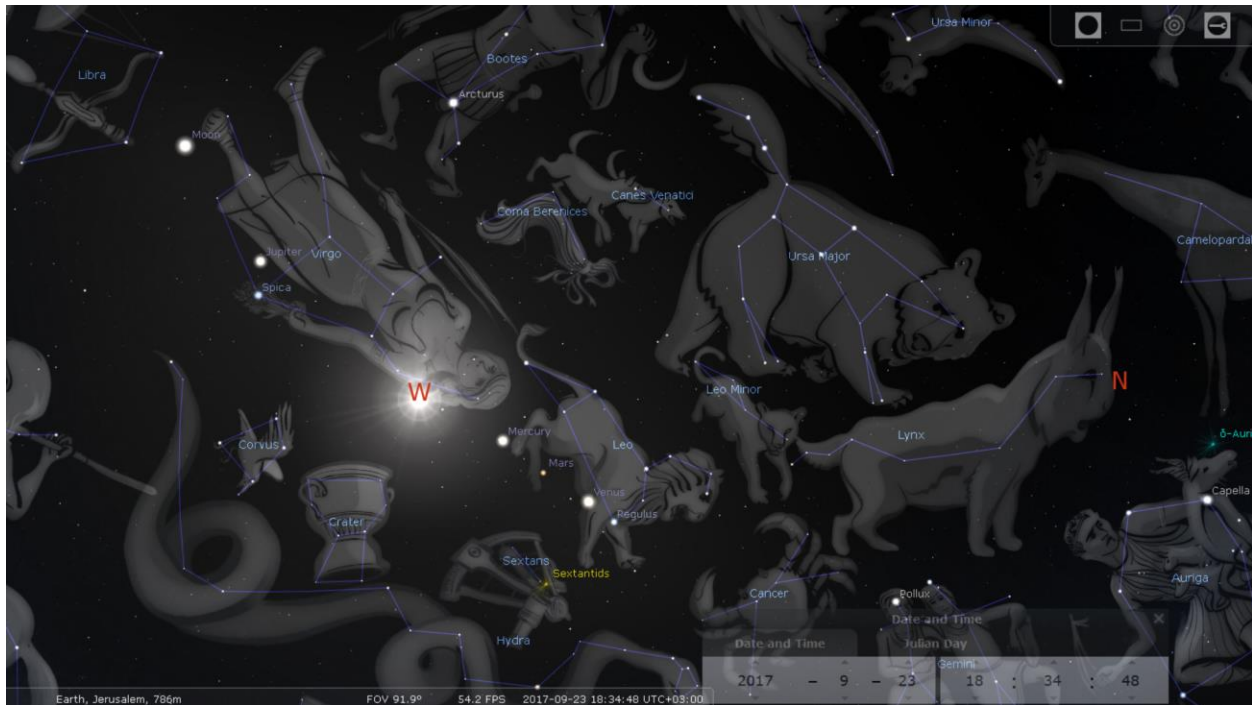

<http://galacticconnection.com/meteotsunami-ocean-dramatically-recedes-on-south-american-atlantic-coast-as-huge-waves-batter-the-pacific-side/>

<http://strangesounds.org/2017/08/oceans-in-opposition-giant-pacific-waves-chile-another-historical-atlantic-water-receding-brazil-video.html>

The two above articles try to explain this phenomenon, especially in relation to the recent Solar Eclipse on 8/21/2017 but interestingly, the first article even asks if the slowdown to the Earth's axis have caused this.

My guess is yes, and God played in huge role in causing this sign to appear now.

So with that foundation, what does it all mean?

I took a screen print of what Virgo and Leo looks like on 9/23/17 at 18:34. You can easily see Regulus, Venus, Mars, and Mercury crowning Virgo's head along with the rest of Leo's constellation. That totals 12 stars.

You see Virgo is clothed with the sun and you can the moon is at her feet. You can also see Jupiter is in her womb.

Let's start with the star Regulus. It's the brightest star of Leo and notice the planets line up right up Regulus.

Regulus means prince or king.

<http://www.definitions.net/definition/Regulus>

Next, you have Venus.

Ve·nus

['vēnəs] 

DEFINITION

1. a goddess, worshiped as the goddess of love in classical Rome though apparently a spirit of kitchen gardens in earlier times. Greek equivalent [Aphrodite](#).
 - *literary* (a Venus)
a beautiful woman.
2. the second planet from the sun in the solar system, the brightest celestial object after the sun and moon and frequently appearing in the twilight sky as the evening or morning star.
3. a burrowing marine bivalve mollusk with clearly defined growth lines on the shell.

Venus is the evening or morning star.

Revelation 22:16 King James Version (KJV)

¹⁶ I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.

Jesus is clearly saying He is the morning star.

The next star is Mercury.

<http://www.talesbeyondbelief.com/roman-gods/mercury.htm>

The father of Mercury is Jupiter. Mercury is also known as the messenger of the gods.

Acts 14:12 King James Version (KJV)

¹² And they called Barnabas, Jupiter; and Paul, Mercurius, because he was the chief speaker.

Paul was called Mercurius, or Mercury because he was the messenger of the gods. Who did Paul preach to?

Galatians 2:1-2 King James Version (KJV)

2 Then fourteen years after I went up again to Jerusalem with Barnabas, and took Titus with me also.

² And I went up by revelation, and communicated unto them that gospel which I preach among the Gentiles, but privately to them which were of reputation, lest by any means I should run, or had run, in vain.

He preached to the Gentiles. That's important to know here and I will expand on this in just a moment.

Next star is Mars...here's where things get interesting.

Mars comes from the older name Mavors, which is called the Turner of the Battle. I know a lot of people think Mars is the god of war but he's actually the strong man capable of battle who turned the war into peace rather than peace to battle. Check out this link: <http://www.abarim-publications.com/Meaning/Mars.html#.WatTZLpFxPZ>

Who fits this character in the bible? Michael the archangel.

Daniel 10:21 New King James Version (NKJV)
²¹ But I will tell you what is noted in the Scripture of Truth. (No one upholds me against these, except Michael your prince.
<i>(The angel is talking to Daniel who is of the people of Israel...Michael is the prince of Israel.)</i>
Jude 9 King James Version (KJV)
⁹ Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.
Daniel 12:1-4 King James Version (KJV)
¹² And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.
² And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.
³ And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.
⁴ But thou, O Daniel, shut up the words, and seal the book, even to the time of the end:

Michael, the archangel is Israel's prince and protector. He covers them. Notice, he turned the potential battle of Moses' body to peace by only rebuking the devil instead of fighting him. He knew he would have his chance to fight later.

Notice in Daniel 12:1-4 after Michael stands, the rapture happens.

Ok...let's stop there and summarize what we have thus far.

Regulas = Prince or King

Venus = Morning Star Jesus

Mercury = Messenger Paul

Mars = Turner of the Battle Michael the Archangel

Now, let's go back to Revelation 12 and read the rest of the sign.

Revelation 12:3-6 New King James Version (NKJV)

³ And another sign appeared in heaven: behold, a great, fiery red dragon having seven heads and ten horns, and seven diadems on his heads. ⁴ His tail drew a third of the stars of heaven and threw them to the earth. And the dragon stood before the woman who was ready to give birth, to devour her Child as soon as it was born. ⁵ She bore a male Child who was to rule all nations with a rod of iron. And her Child was caught up to God and His throne. ⁶ Then the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there one thousand two hundred and sixty days.

As you can see from scripture, the red dragon is waiting for Jupiter or this child to be born.

Now let me lay a foundation about Jupiter.

Ephesians 5:23 New King James Version (NKJV)

²³ For the husband is head of the wife, as also Christ is head of the church; and He is the Savior of the body.

The head of the child is Christ. The body is the church.

The head was already born and is in heaven preparing a place for you and me.

John 14:2 New King James Version (NKJV)

² In My Father's house are many mansions;^[a] if *it were* not so, I would have told you. I go to prepare a place for you.^[b]

So here on 9/23/17, the church or the body is being born and this dragon is waiting to take us.

Now remember, we have the helper who is covering protecting us at this time.

John 16:7-11 New King James Version (NKJV)

⁷ Nevertheless I tell you the truth. It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you. ⁸ And when He has come, He will convict the world of sin, and of righteousness, and of judgment: ⁹ of sin, because they do not believe in Me; ¹⁰ of righteousness, because I go to My Father and you see Me no more; ¹¹ of judgment, because the ruler of this world is judged.

Here's what this sign means:

The Prince / King (Regulus) Jesus (Venus) is returning (because He was already crucified and is preparing us a place) to remove the body of Christ (Jupiter) before the dragon can take it. Mercury points to Paul preaching to the gentiles (meaning the body of Christ) and Mars is Michael the Archangel standing to protect Israel because the Holy Spirit and the body of Christ will be gone, meaning there will be nothing left to protect Israel.

This sign is for the body of Christ, us. It's telling us the rapture is about to happen.

Revelation 12:5 New King James Version (NKJV)

⁵ She bore a male Child who was to rule all nations with a rod of iron. And her Child was caught up to God and His throne.

The screenshot displays the e-Sword software interface. The main window shows the NKJV Bible text for Revelation 12:5: "And she brought forth a man child, who was to rule all nations with a rod of iron; and her child was caught up unto God, and to his throne." The interface includes a Bible Books list on the left, a Dictionary window at the bottom showing the Strong's entry for G726 (harpazō), and a Commentaries window on the right with cross-references for Revelation 12:5, Isaiah 7:14, Jeremiah 31:22, Micah 5:3, and Matthew 1:25. The dictionary entry for G726 defines it as a derivative of G138, meaning to seize or catch away.

The word caught up in Rev 12:5 is harpazō meaning to seize or catch away according to Strong's definition.

You can't get any clearer than that folks. This sign points to the body of Christ getting caught up and being removed before the red dragon could attack.

So you're probably thinking who is the red dragon. First, does it matter because he will never touch us as long as you believe and are obeying God. Watch my messages on Who's going on the Rapture part 1 and 2.

But if you would like, I can speculate on the red dragon, and just like the heavenly sign of the Virgo, this is a heavenly sign filled with stars and planets. Currently, this is hidden from us. I could speculate that it's the serpent Draco constellation but that doesn't make sense because it's not near where Jupiter is...remember, Jupiter is exiting the womb of Virgo.

More speculation would be that this could be the mysterious planet X Nibiru in the system Nemesis that NASA denies it exist.

Whether it is or not, something is out there causing havoc in our solar system. Orbits are off and as you saw me talk about earlier, something pulled the ocean; and it was big. I saw a video of a huge earthquake take place. The camera was overseeing a large public swimming pool. That water didn't

move until the earthquake had been going for at least 25 seconds. It takes a lot of force to move a body of water.

But I remind you that was speculation on my part. You can search Nibiru in YouTube and find all kinds of interesting theories on its existence and where it is.

Now, do I know when this is going to happen? Some say it will happen immediately on 9/23/17 at 18:34 Jerusalem time. Now I know many of you are thinking that no one knows the day nor the hour, and that is true is Jesus time. But He tells us to watch and He gave us the Heavenly luminaries for signs.

Here's some interesting things to know...remember Jesus rose from the grave on the third day in the very early morning. Venus is them morning star. Could the rapture happen in the very early morning Jerusalem time? Remember, the day for Jerusalem begins at sunset.
