### MESSAGE OBJECTIVE

To encourage believers to understand that faith in Jesus Christ removes condemnation and brings them into the light of God's truth. By reflecting on Scripture and the example of the woman caught in adultery, the goal is to help us recognize both our struggles and Christ's mercy, reminding us that awareness of God's Word exposes the heart, but also points us to the freedom found in Christ. Ultimately, the objective is to lead us toward choosing the light of Jesus, walking in His Spirit, and relying on Him daily for guidance and transformation.

## SYNOPSIS

“Where Belief Leads: Into the Light of Christ” explores the contrast between living in light or darkness as revealed in Scripture. John 3:18–21 teaches that belief in Jesus removes condemnation, while rejecting Him leaves a person already condemned. Romans 8:1 affirms this truth, reminding believers that those in Christ walk free from guilt and shame when they live by the Spirit.

The study highlights Jesus’ encounter with the woman caught in adultery (John 8:3–11) as an example of His mercy and light. Instead of condemning, Jesus exposed the hidden darkness in others and offered the woman forgiveness and a new way forward. In the same way, His Word reveals the truth in our own hearts, both in simple trust and in deeper struggles, always pointing us back to His grace.

Ultimately, Jesus declares Himself the Light of the world (John 8:12), and belief in Him invites us out of darkness into life, hope, and freedom. The study closes with a prayer of surrender, asking Jesus to help us walk daily in His light.
